

## ***OUTSTANDING TEACHING***

### ***Some sources of data which might be drawn upon in gathering evidence:***

- Unit outlines containing documentation of particular processes
- Class/lecture outlines documenting examples of practices
- Student evaluations of teaching and other forms of student feedback – letters from past students
- Peer review records
- Deans/ Head of Department's commendation
- Assessment artefacts (assignment tasks, marking criteria etc)
- Successful teaching research and development grant applications
- Documentation of grant outcomes
- Scholarly publications reporting on your teaching
- Documentation of leadership in teaching activities – invitations, workshop outlines etc
- Evaluations from a teaching workshop for colleagues
- Qualifications in teaching and learning – assessment outcomes, documentation of assignments and feedback from such qualifications
- Invitations to teach and other documented external recognition
